Locating Library Materials Worksheet

Using your assigned research topic and the library's online catalog, locate items from each of the three collections below about your topic. The *library map* and *collections directory* will help you navigate the library. Bring the items back to class with you. You have 10 minutes to search the catalog and locate the materials.

Each group must retrieve one item from the following collections about their topic for a total of three items:

1. From the *Book Collection*
2. From the *Reference Collection*
3. From the *Journal Collection*
